Dear Biff:

I just have your letter of July 23. As soon as Congress adjourns I hope to fly over to Switzerland to join Mrs. Dulles and between now and then I fear I will not have much free time. In any event I shall look forward to seeing you when you get back from Thailand.

Sincerely,

Dear Allie,

I will be in New York next week at Hotel New Yorker, starting Tuesday morning July 28.

If you should have a free day for lunch I will fly down to Washington any day. If Gen. Bidell-Smith should also be free I want to talk quail shooting on my plantation in South Georgia would be glad to have him too.

I am shipping shotgun shells now for my shoot with Willis Bird in Thailand. Please send me note at Hotel New Yorker.

Best regards

"Biff" (B. C.) Goss
